Scientists // Surveyors Urban planners // Sociologists //
HR Specialists**

The jobs of the future

The state has many exciting jobs for university graduates who are committed to societal development. And these are not just any jobs – they involve guiding and improving Sweden. Fackförbundet ST prepares you for a governmental career. We are experts in career opportunities within the state sector and can help you find your dream job and get an overview of working conditions. Once you have a job, we are on hand in most state workplaces to provide you with guidance and support to grow, thrive and advance in your professional role.

Become a member

Student membership in ST is free throughout your studies

What you get as a member:

CV-review

Send us your CV and application letter for personal feedback. We can also review your LinkedIn profile

Career coach

Our capable coaches are always ready to help you reflect on and discuss your career considerations.

Lectures

As a member you are invited to lectures, seminars and workplace visits.

Discounts

Great discounts on books, magazines, insurance, bank loans and Avtal24 for a tight student budget.

Negotiation support

If you run into problems at your summer job or part time job, we can negotiate on your behalf. For example, if you are discriminated against or have your salary withheld.

Interview training

Try a simulated job interview so you are ready for the real thing.

ST Direkt

Quick answers to your questions about working conditions, career and salary via telephone or e-mail.

Scholarships

Do you want to do a field study abroad? Then you can apply for ST's international scholarships which are granted each semester.

Lower union fee

When you start working, you can become a gainfully employed ST member for only SEK 100 per month for the first year.
