Scientists // Surveyors Urban planners // Sociologists //  
HR Specialists

# The jobs of the future

The state has many exciting jobs for university graduates who are committed to societal development. And these are not just any jobs – they involve guiding and improving Sweden. Fackförbundet ST prepares you for a governmental career. We are experts in career opportunities within the state sector and can help you find your dream job and get an overview of working conditions. Once you have a job, we are on hand in most state workplaces to provide you with guidance and support to grow, thrive and advance in your professional role.

# Become a member

**Student membership in ST is free throughout your studies.**

## What you get as a member:

### CV-review

Send us your CV and application letter for personal feedback. We can also review your LinkedIn profile.

### Lectures

As a member you are invited to lectures, seminars and workplace visits.

### Career Advisor

Our capable advisors are always ready to help you reflect on and discuss your career considerations.

### ST Direkt

Quick answers to your questions about working conditions, career and salary via telephone or e-mail.

### Negotiation support

We can support you if you encounter problems at your part time job, for example if your salary is withheld or if you are discriminated against.

### Scholarships

Do you want to do a field study abroad? Then you can apply for ST's international scholarships which are granted each semester.

### Insurances

You get a couple of insurances for free the first three months of your membership. After that period, you can subscribe to them at a good discount.

### Membership discount

Your first 3 months as an employed member in ST will be free. After that you pay our lowest current membership fee during 9 months – regardless of your income. Your discounted offer is valid for up to 5 years after you finish your studies.
